

# US Christian Association Eligibility policy

## School eligibility

1] Christian , Parochial and Homeschool athletic organizations are eligible if the following are met

- 380 or less enrollment for high school [9-12 grades ]
- 250 or less for middle school [6-8 grades ]
- AAU , travel , club or select teams are not eligible to participate

## Player eligibility

### Gender Eligibility

- In accordance with Federal law in regards to Title IX and the USCAA and Vision cultural and Biblical beliefs eligibility is base on a participant's sex at the time of birth as listed on the original birth certificate .

### Eligibility

- Varsity players only have eight semesters of eligibility that begins their freshman year , regardless of participation , which runs concurrently . A Varsity player may turn 19 during their last two semesters of eligibility but cannot turn 20 and remain eligible .
- Varsity Players must have played at least half the season with the same team to be eligible for any National event. Player cannot play for two separate teams during the same season and be eligible.

### Middle school

- Middle school is 6-8 grade
- Middle school players can play on Varsity teams and not lose semester eligibility
- Please note this is a middle school division not a junior varsity or "B " team division .
- Middle school players must be less than 15 years old to be eligible

### Code of Conduct for student athletes, coaches, fans , staff and officials

- Respect and professional treatment given to all event officials and staff
- The use of profanity while in attendance will not be tolerated
